Dear York County Board of Supervisors,

Subject: Restricted parking sign installation along Glen Laurel Way
Reference: Previous letter from GLHA dated June 1, 2006

The Glen Laurel Home Owner's Association is continuing to receive requests on the status of our previous letter to the Board of Supervisors on Glen Laurel's request for restricted parking along Glen Laurel Way. This request was made due to the numerous complaints from our residents involving an increase in trespassing, litter, loud music, foul language, damage to personal property and threats made to residents when confronting some of the students concerning one or more of the afore mentioned complaints. .

A recent survey of our residents show overwhelming support for having parking restrictions on the entire length of Glen Laurel Way including the turn around circle from 7am to 3pm weekdays.

Sheriff Danny Diggs had recommended either having VDOT or the York County Board of Supervisors to resolve the issue. VDOT indicated that parking restrictions would have to be issued by the Board of Supervisors.

With the school year fast approaching time is of the essence. Your help in resolving our parking dilemma in a timely manner would be very much appreciated.

Please feel free to contact me at 872-8581 if you have any questions or need any additional information...

Thank you for your assistance.

Respectfully,

Malcolm F. Mann, President
